Quick glance: What's in it for you?

**Term Life Insurance** helps fill financial gaps that can quickly develop if you are no longer there to provide for your family. Here's what's in it for you:

- **Lowered rates** – Pay less for your current Term Life premiums and any additional coverage at the recently lowered rates on pages 4 and 5.
- **Higher volume savings** – The more Term Life coverage you have, the more you save! Rates are now 10% lower (previously 5%) for coverage of $500,000 to $975,000 and 15% lower (previously 10%) for coverage of $1 million or more.
- **Enhanced Waiver of Premium** – Your coverage continues at no charge to you if you become totally disabled for three continuous months before age 65. Job Loss Feature: You don't have to pay premiums for up to a maximum of 12 months if you've been unemployed for 30 consecutive days before age 65 due to involuntary layoff, dismissal without cause or loss of self-employment.
- **Coverage to age 85** – You can keep renewing your insurance without any additional medical tests at the time of renewal, so you can stay covered long into your retirement years.
- **Optional coverage beyond age 85** – For a few extra cents a month, the Insurance Continuation Benefit replaces your Term Life coverage after age 85 with up to $150,000 of premium-free permanent life insurance for the rest of your life.
- **Up to 50% cash advance** – Receive a cash advance of up to 50% of your Term Life Insurance amount (up to $200,000) if you are diagnosed as terminally ill with less than 12 months to live.

**L’assurance Protection accidents graves** peut vous aider à vous libérer des obligations consécutives à un accident et vous permettre ainsi, à vous et à votre famille, de vous concentrer sur votre guérison plutôt que sur vos obligations financières.

- **Two coverages in one** – Combines Major Impairment Accident coverage with Accidental Death coverage – wherever you are in the world, 24/7.
- **Guaranteed acceptance** – NO medical tests or questions are required when you apply. Your spouse can also apply.
- **Low premiums never increase** – Premiums as low as $1.50 per month stay the same even as you get older.

Member and Spouse Term Life Plan

The Term Life Plan is designed to help provide financial support to your beneficiaries in the event that you are no longer there to do so.

**Member Term Life Plan coverage**

Depending on your personal financial circumstances and the needs of your family, choose coverage in units of $25,000 up to a maximum of $1,500,000 (60 units). The full coverage amount will continue until you reach age 85, with no further medical exams or questions at the time of renewal.

**Spouse Term Life Plan coverage**

To help compensate for your spouse’s contribution to your household, choose additional coverage in units of $25,000 up to a maximum of $1,500,000 (60 units). You must have, or be applying for, Member Term Life coverage to apply for Spouse Term Life coverage.

**Optional Insurance Continuation Benefit**

At the time you apply for the Member and Spouse Term Life Plan, you can add the Insurance Continuation Benefit to the insurance you apply for, at a small additional charge.
